

TEDDY'S TEACH TOGETHER TOOLPAGE™ P -2

SEE AND SAY: sound "p" /p/-letter P

We are working on the sound for the letter P, "The Berry Pop Sound."

1. **Look** at the picture together. Have the child **point** to the top lip in the picture, then to her/his top lip. Have the child point to the bottom lip in the picture, then her/his bottom lip. Have the child **press** lips together and **pop** them like Teddy when he is popping his favorite berry in his mouth.
2. Give this hint while making the sound: *press and pop*.
3. Make the sound "p" with hints _____ times, using the picture to "**see and say**" the "p" sound. Great talking!
4. **Sign** this sheet with your child. **KEEP THIS PAPER AT HOME AS YOU MAY NEED IT FOR FUTURE LESSONS.** As you write the letters, stretch each sound together.
